

2009 PARAMEDIC & ORTHOPTISTS HPC RENEWALS **ALERT**

Individual members are required to re-register with the Health Professions Council (HPC) every two years. The next two-year cycle for Paramedics & Orthoptists is 1 September 2009 to 31 August 2011.

Renewal forms for all registered Paramedics and Orthoptists were posted on Thursday 4 June, these must be filled in correctly, signed and returned to the HPC by **31 August 2009**, with a payment (unless a direct debit instruction is in place).

Final notices were sent out on Thursday 6 August. If you are a registered Paramedic or Orthoptist and have not received a renewal form or reminder it may be that the HPC has incorrect address details. It is a registrant's responsibility to ensure that their contact information held by the HPC is up to date.

Full details of the process and how you can obtain a renewal form are on the HPC website at <http://www.hpc-uk.org/registrants/renew/>.
